CD NO.

DATE DISTR. 29 Apr 11 1953

NO. OF PAGES 1

NO. OF ENCLS.

SUPPLEMENT TO
REPORT NO.

25X1

1. General-director of EAW (Elektro-Apparaterwerk) Treptow is N.S. Kurenov, 25X1
[redacted] Chief Engineer is (fnu) Churin [redacted]. (Fnu) Sokolov 25X1
is responsible for rolling mill matters; [redacted] 25X1
The Soviet liaison official between EAW Treptow and the SCC in Berlin- 25X1
Karlshorst is (fnu) Nebodukh, who has dealt with the Central Construction 25X1
Bureau (ZKB) of EAW Treptow since late 1951. [redacted]
2. The Rolling Mill Section (Abteilung Walzwerke) at EAW Treptow is a part of
the Central Construction Bureau (ZKB). Chief of the latter is (fnu) Hillger,
a former carpenter. Since 1950 orders for new projects to be drawn up by
the ZKB (Projektierungsauftrag) have been signed by (fnu) Bebenin. The ZKB
has been engaged, for example, in planning a new rolling mill for the
Walzwerk Brandenburg. For this project ZKB has ordered a 3,500 K. electrical
motor to be made at the Sachsenwerk-Niedersedlitz. The motor is to be
finished on 20 April 1953.
